### April Show & Tell

Jo Ellen Carr's granddaughter, Emma James, was 5 on April 28. She wanted a grandmother's flower garden quilt so she picked out the fabric and I got to work. After many hours of hand sewing, it was completed.

Her mom wanted a rainbow party dress to match her Care Bear theme, so I made one and a tote bag to match. I put the quilt in the bag and before she pulled it out, exclaimed, "It's a quilt!" After she opened it up, she told her mom, "It's the quilt I wanted her to make!" All those hours of sewing was worth it to see her priceless reaction!
