August Meeting

Dianne McLendon presented Creative Block Design. We were given a design board and cut out squares and triangles. We had 30 minutes to create a design and then we all voted on the one we liked best. Prizes were given to the team who had the most votes. It was a lot of fun!

September 14th Meeting

Our September program will be Dianne McLendon presenting the 2022/2023 Challenge quilt. Frances Good will teach a Christmas tree workshop after the meeting.

Everyone needs to bring a needle, thread, and six straight pins to the meeting. We will make a Korean hexagon flower.

Group 9 is responsible for the September meeting. Lois Womack is group leader.

Important!

If you did not return your Inset Circle block at the August meeting, you need to bring it back in September! There are 14 blocks that were not turned in. These blocks will be used to make a community outreach quilt, not to keep.

If you took home the design blocks from the September meeting, they need to be returned along with the design board. These will be made into a donation quilt. You will get a gift from Dianne for returning it. Thank you!!

2024 Pine Belt Quilters Showcase

We will have an exhibit April 20, 2024 at the Hattiesburg Cultural Center sponsored by the Hattiesburg Arts Council. Make your plans to participate in the Pine Belt Quilters Showcase and showcase a quilt!

Come join us for our sew day on the first Tuesday of each month. Our next sew day is September 6th at 9:30. There are other things to do besides sewing if you don't want to sew!! We meet in the Choral Hall at University Baptist.

2022 Block of the Month (BOM) Sew Day is September 21st

Quilts of Valor Sew Day is September 28th

Sew Day is September 28th, 9:30 at the Stitchin Post in Hattiesburg. If you have questions, contact Linda Hudson at 601-408-4821 or granhudson@comcast.net.

July Friendship Block

The friendship block, Maple Leaf, is due back at the September 14th meeting. Your name will go in a drawing for all the blocks!

PBQ Library

PBQ maintains a circulating library for use by members, consisting of books about the techniques and history of quilting, and some popular novels. See the online catalog here: <https://www.librarycat.org/lib/PineBeltQuilters> .

Snippets

Lois Womack showed a video on How to Block a Block by Sew Very Easy. We all need a little help from time to time when a block isn't quite square. <https://youtu.be/LwKbwX67g5s>

Community Outreach Projects

We have ongoing projects that you can work on throughout the year.

- Receiving blankets are used in NICU units at local hospitals.
- Mother pads are used for mom or dad to place inside their shirt to get their scent on it and then placed next to baby in NICU.
- Children's pillows are 6-8" square up to 12", lightly stuffed and are given to children who are in the hospital. It's something for them to hold so it doesn't have to be tightly stuffed. See Joe Bingham for guild labels that need to be attached to the back of the pillows.
- Walker totes and catheter bag covers are made from heavier fabric than cotton, like denim, twill, etc. Directions for both are in the process of being revised and will be on pinebeltquilters.com under Guild Activities.
- Community Outreach quilts need to be minimum size 40" x 40" and max size 54" x 70". Quilts can be made using any pattern. Guild members are to make at least one quilt each year.
